

HGV Technician (Nights)

The HRVS Group require Skilled HGV Technicians to join their night shift based at Sleaford.

The HRVS Group is a multi-franchised company with the most synonymous being MAN Truck & Bus that operates over several UK sites from Staffordshire, Nottinghamshire and Derbyshire, through to South Yorkshire and Lincolnshire. We pride ourselves on providing top class customer service and aftersales support for Trucks, Trailers, Tankers, Bus and Coach.

In addition to ongoing product training and fantastic career progression opportunities, we offer:-

- Fast Track Brand Conversion courses
- Full IRTEC training (qualified technicians only)
- £300.00 tool credit voucher following successful completion of probation period
- Personal tool insurance
- Employee discounts on wide range of Company products + services
- Pension scheme
- Branded overalls and safety footwear
- Free onsite parking.

Positions are full-time, permanent and available Monday to Thursday 9.00pm to 7.30am (30 minute lunch break per day) with alternate Saturday morning working.

It is essential for candidates to have relevant previous experience. We offer industry leading rates of pay (dependent upon skills, qualifications and experience). A HGV licence would also be advantageous.

To apply, please email your C.V. to hr@hrvs.co.uk or post to Human Resources, HRVS Ltd, Heage Road Industrial Estate, Ripley, Derbyshire, DE5 3GH.
